

AUDIO-VISUAL REQUIREMENTS:

EDDIE LEMOINE

1. Projector and screen (Eddie uses a MacBook Pro computer)
2. Sound capability for his laptop (Headphone jack)
3. Eddie brings his own wireless microphone (connects to the system with an XLR cable) also comes with various adapters to work with most wireless transmitters. If venue provides a wireless lapel mic we have adapters to fit, Audio Tech, AGK, Sennheiser, and Sure.
4. Speaker brings his own laptop (MacBook Pro Eddie has VGA Adapter)

If the AV provider for your event has any questions at all don't hesitate to contact Eddie directly at eddie@eddielemoine.com or his personal cell 902 830 6723. We are committed to providing the highest quality presentation and welcome any suggestions.
